The Tarnished Lord Is the Strongest Master An Online Fantasy Game Set in the Lands Between Available for Sony PlayStation®Vita The Tarnished Lord Is the Strongest Master, an online fantasy RPG set in the Lands Between, is now available for download on PlayStation®Vita. The Tarnished Lord Is the Strongest Master features a vast world with a variety of enemies, an epic online multiplayer, and a unique asynchronous online element. Enjoy the adventure! THE STORY: An epic fantasy RPG in which the plots of each player will meet in the Lands Between. A world untouched by the hands of men, where elves have retained the weapons of their ancestors for more than a thousand years. A world in which the might of the people is placed upon the grace of the gods. In the Lands Between, in the midst of eternal night, civilization lingers on. The people who live here have retained the weapons of their ancestors for more than a thousand years. They are the Tarnished Lords, the strongest warriors in the world. Here, you, a Tarnished Lord, wander with no specific goal in mind. As you travel through the vast world, you meet with another Tarnished Lord, and together you form an alliance. You can also connect with a single person and travel together. In this online fantasy RPG, the plots of each player will meet in the Lands Between. THE VAST WORLD A vast world with an incredible number of inhabitants inhabiting it. It has a clear division of land, with vast open fields and dense forests. There are four different elements (water, fire, earth, and air) that make up the world, and the scenery constantly changes, depending on the weather. The world is designed so that the various contents of it overlap, and there are almost no dungeons. By traveling through open fields and forests, and visiting various towns, you can have your adventure happen around you. FOSSIL RECORDED IN THE WORLD In the Lands Between, there is an ancient race of people that has retained the weapons of the people a thousand years ago. They are the Tarnished Lords, the strongest warriors in the world. They have survived for thousands of years. The weapons of the Tarnished Lords are not weapons that can harm others but weapons that can see the hearts of other warriors. In addition, on the surface of the world, there are
