The year's most anticipated release has arrived, as EA Sports introduces FIFA 22 for the PlayStation 4, Xbox One, Nintendo Switch, and PC platforms. FIFA 22 introduces the most comprehensive set of licensed players to date for real-life football gameplay, including 30,000 licensed players. Utilizing the most accurate motion capture data to create authentic player control, FIFA 22 offers the most reactive and immersive experience for players, coaches, and commentators. FIFA 22 delivers complete gameplay experiences, including a new Referee Coach that allows players to reset each foul and throw-in call as their team performs a free kick. FIFA 22 will be available for download on Sept. 28, but a special one-month pre-order offer from Xbox and PlayStation stores will be available from Sept. 21 to Oct. 21. Fans will be able to activate their pre-order download codes immediately at launch for FIFA 22. The UEFA Champions League powered by EA SPORTS - now the official videogame of the competition - returns to EA Sports FIFA on Oct. 11, launching on the PlayStation 4, Xbox One, and PC. A digital download for FIFA is required to play the UEFA Champions League powered by EA SPORTS. To celebrate this momentous occasion, EA SPORTS will be bringing more content to the FIFA 17 Ultimate Team and FIFA 19 Ultimate Team this week with the FIFA 17 Golden Generation Ultimate Team and UEFA Champions League 2017 Ultimate Team. EA SPORTS FIFA Ultimate Team mobile version will launch globally this week on Android and iOS. Stay tuned for EA SPORTS FIFA 17 Ultimate Team's latest content announcement coming soon, as well as more details on our other EA SPORTS titles. Marion the Whale: An Unbelievable Gameplay Video by Nextbit It was announced in July that developer Nextbit would be releasing a "strangely plausible" game called Marion the Whale: An Unbelievable Gameplay Video by Nextbit. The free-to-play game starts from Marion's birth, when he was taken from his birth mother and brought up in captivity as a toy.

Features Key:

- New ball physics. Find the perfect balance of power, speed, and traction to fit all manner of tactics. Complete the top skills with precision.
- FIFA Magic Shots. Rasp your trusty volleyer into the back of the net with a new gameplay feature that lets you abuse your poor long range shot finnicky like no other.

• Unlocked Pro Clubs. The valuable rewards in the Community Arenas have been completely unlocked. All 24 of Europe's top leagues are available (and playable) in Career mode.

- Defending on PS4. The latest in the series' painstaking research into real-world football players, ball-tracking data, and broadcasting technologies brings astonishing improvements to defending. From telling opposing players where to position themselves, to small details such as a player running back into his own box to defend a one-on-one play - even directly back to goal.
- Unmatched in-game techniques and celebrations. Master the dribble or the off-the-ball move, then employ your creativity to pull off dramatic moves like the triple step-over, the Japan-flavoured unhurted Super Wal Senden, the Benny Astons, or the Yoshidas.
- New face ratings system. Focusing on each trait, rather than the average, EA SPORTS provides a more in-depth way to understand and use your star players. At the heart of this is the popular ELEAGUE face-based rating system.

One of the biggest experiences in a sports game, Ultimate Team will take you into the fantasy football world to build the best team from over 30,000 players and 3,500 player traits, including real players like Neymar, Cristiano Ronaldo and Paul Pogba. We've taken the gameplay of our most popular mode and crammed it into the main menu. FUT Champions – The new cover athlete for FIFA, FUT Champions lets you live out your dreams as one of the game's top-tier players. With the ability to play as up to 11 players on the same team (or 2 players), FUT Champions gives FIFA fans a new way to compete with their friends and prove their skills in the most accessible way possible. Online - Live and compete against your friends online in either traditional or co-op multiplayer. With the all-new 'Advantage' system and competitive matchmaking, you and your friends will always compete on a level playing field. Whether you're playing in one of the most authentic and realistic sports experiences, or with your friends online, FIFA Online 4 is your destination for online football fun. 360 Suites - Experience head-to-head competition through the most advanced motion-based gameplay. We've used the next-gen engine to power the new 360 mode, where players can now play as a goalkeeper or play as a forward trying to score the game-winning goal. Focus – The right player for the right position - Whether it's your final throw or shoot, players no longer have to waste time searching for the right player. Shift the camera, then simply switch to the right player using the in-game menu. Matchday - When matches start, the referee gives teams five minutes to line up for the kick-off. Attendance is taken at the same time and the match starts on time. Features a 3D pitch with no timeouts and no offsides. Pass Decisions - The right pass is often the most difficult pass to make. Learn what players can and cannot do with the game's new detailed pass system. Play out your next move carefully, as each pass is an important decision. New Champions - The new Champions for the PS4 version include Eden Hazard, Toni Kroos and Benjamin Mendy. CONTROLS & GAMEPLAY Get a new flight system with the all-new FIFA method of placing and passing. Notice when the

What's new in Fifa 22:

- New gameplay control. A new series of interactive ball physics now allows players to dive, jump or power overhead passes with the ball, making the game more realistic.
- New Player Attributes. New Player Attributes make your players more unpredictable with the ability to work harder than the competition for international recognition, and a boost in speed and stamina, which makes them harder to track.
- Enhanced Player Models. Physically-based rendering and LOD technology makes all player models more accurately recreate the fast-moving, fit and tough players on the world's top teams in FIFA 22.
- Increased Player Pass Metrics. Smarter team-work logic, and new animation-based pass metrics such as Time on Target and rate of fire make gameplay more dynamic.
- Enhanced Goalkeeper Aiming Mechanics. Good saves win matches, so the new Keeper Boost Stats aim to make goalkeeping more physically demanding, encouraging your goalkeeper to make saves that challenge the consistency and brilliance of your goalkeepers pass.
- Player Routes. Your squad of players is now connected, so the movements of every team member influence each other throughout the pitch.
