HyperMotion is available in three modes: Real Player Motion - allows players to relive their moves in-game by automatically reproducing their real-life movements in-game to generate a match-like experience - allows players to relive their moves in-game by automatically reproducing their real-life movements in-game to generate a match-like experience True Player Motion - adds correct timing, physics and player reactions for authentic-feeling controls and play styles - adds correct timing, physics and player reactions for authentic-feeling controls and play styles Player Impact - includes 40+ realistic animations, contextual animation-to-player behaviours and visual effects to produce a more lifelike and immersive player experience During the FIFA World Cup 20 Qualifiers, players will experience the hyper-intense, realistic game. The mechanics will be available in Ultimate Team and take gamers to the next level of FIFA gameplay. Features: Full Player Motion - Athletes react naturally to defenders, ball impact and other actions on the field, delivering better overall player collisions and more intuitive on-the-fly control to help players manage the intensity of the match - Athletes react naturally to defenders, ball impact and other actions on the field, delivering better overall player collisions and more intuitive on-the-fly control to help players manage the intensity of the match 360-Degree View - "3D" match cameras move with the ball and help players view the game in more lifelike ways, including ones that use more of the space of the pitch and the ball - "3D" match cameras move with the ball and help players view the game in more lifelike ways, including ones that use more of the space of the pitch and the ball True Player Motion - players' touch and movement replicates their real-life counterpart, reacting naturally to the ball and actions on the pitch - players' touch and movement replicates their real-life counterpart, reacting naturally to the ball and actions on the pitch 20+ Authentic Player Behaviors - authentic player body movement, player rotations and player-to-player movement replicating real-life play styles and reactions based on player animations, where rotational and running speeds vary based on player height, weight, acceleration, and preferred modes of movement - authentic player body movement, player rotations and player-to-player movement replicating real-life play styles and

## **Features Key:**

- POWER WITH THE BALL IN YOUR FOOT - \*World Cup 2018\* like never before. Players are showcased as being more powerful with the ball, creating a more skillful on-pitch situation for you to create opportunities. Dribble more, power moves more, and plan more, to turn the odds in your favour.
- SMOOTH, ELEGANT AND PLAYABLE - Improvements to new FIFA animation models have been made, replicating the real physics of the sport. In addition, new ESPN Motion Vision technology brings improved human movement and interactivity to the fields of play.
- OPTIMISED PLAY STYLE - over-the-top gameplay has been lifted to a new level with the new Impact Engine. Get ready to enjoy aggressive rebounding, kamikaze runs and hammering tackles in your tackles and clashes.
- FIFA FUT CHALLENGES - Complete challenges in FIFA Ultimate Team to earn stars, earn Ultimate Team Packs, and invite friends and other players into FIFA Ultimate Team Challenges.
- FOUR DIFFERENT GAME MODES\* WITH LOCAL CO-OP
- FACEBOOK MESSENGER - Be a part of the social community by inviting your friends to challenge you in the new WhatsApp message challenge.

- 
- NEW MAZE GAME MODE EXPLOSIVE SCENARIOS WITH NEW LEVELS AND FORESTS
  - NEW DRIVE TO GREATNESS PROGRESSION CHALLENGE—Challenge top players in several departments with FIFA Points, in incremental levels up to Ultimate Team Stadium. Your difficulty is scaled up the more points you gain, and you can choose your difficulty and face goals to climb up the progression challenges from beginner to expert.
  - NEW GEMZ MODE WITH NEW LEVELS - Battle against other players with a limited number of parameters that are the same, in order to earn GEMZ and try to compete with other players.
  - AMAZING VISUAL SKINNING - FIFA fans will love the new high-quality visuals and textures in environments such as goalmouths, stadiums and pitches.
  - BIG WITH SMALL ACCELERATION - This season, FIFA is bigger and evolves with

### **What's new:**

- **The World Cup. FIFA World Cup 2018, between November 10 and December 17, is officially live on consoles and PC. You can also enjoy the World Cup qualifiers and play online. Play pro games and show off your skills during the month of September.**
- **Faster action on the pitch. FIFA 22 brings instant reactions and improved player intelligence. After analyzing how the game gets played on the field, you'll feel more connected to the action as you manage the style of play and make a play unfold before your eyes.**
- **First-touch control. Created in partnership with ProZone, first-touch control makes it possible for players to use their foot like a joystick: execute precise shots on goal, use the ball like a skier on the slopes, and control the ball in the air like a goaltender.**
- **Forward-thinking design. FIFA 22 lets players prepare and create new ideas before they come to life. Millions of details in the gameplay make each player shine more than ever, particularly on large FIFA Ultimate Team Teams. There are also customizable packs, and a large number of other innovations designed to take your gameplay to the next level.**
- **The best-ever broadcast experience. With live game**

---

replays and RTÉ's CDS, FIFA 22 promises the best broadcast experience for fans across the country. Catch every match live in our new, dedicated FIFA stream and watch the best commentators in Sean Fallon, Gerry Brown, and Cesáreo González on everything from Concacaf and Africa, to South America and Europe. You can also catch live streaming of FIFA One Season - the season that gave you back-to-back leagues and clubs.

- **Fantastic Authentic Stadia.** In the completely rebuilt AI Design Studio, ProZone reveals a wealth of new stadiums, featuring an authentic playing surface and in-play crowds. New stadiums, such as Bournemouth's Vitality Stadium, Argentina's Estadio G.E.D. Dibulla, Serie A's Etihad Stadium, MLS' Orlando City Stadium, La Liga's Santiago Bernabeu or Champions League's PAS Ghent, are just a few of the many great new features to be found in the game. Firebreak Fixation. And then he went to the

**FIFA is the world's most popular football video game and has sold over 200 million copies. Whether you're on the field or in the stands, FIFA gives you the chance to experience the thrill of victory, the agony of defeat and everything in between. Play with authentic clubs, official balls and tactics. Show off your moves in the all-new FIFA Ultimate Team™. Build, train, and manage players to create the very best team. Set out to dominate the competitive scene or show off your skills in FIFA's first offline arcade mode, created exclusively for the FIFA franchise. The choice is yours. FIFA 22 gameplay innovations There has never been a better time to play FIFA. We've put the power of football into your hands with a bold new direction that brings the real-world feeling of playing football to the video game world. The implementation of a new and**

---

**much-needed pass completion mechanic creates a greater focus on executing set-pieces, counters, and through balls. The physics-driven defensive AI will automatically try to play the ball in a position the opposition wouldn't be comfortable playing. FIFA is here to stay. The development team has undergone a serious overhaul and has moved to a new structure, which is yielding great results. We have also brought in new external collaborators to help expand the development team, focusing our efforts to improve the game and grow the FIFA franchise as a whole. EA's FIFA franchise is a legendary part of gaming history and there is no going back. The team, including former FIFA World Cup players and sports artists, are determined to make FIFA a mainstay in popular culture for years to come. Key features FIFA Ultimate Team™ Mode - get the real-world feel in your game. Add-on content brings the game to life in a way that has never been seen in a soccer video game. Build your ultimate squad from legendary players, as well as use customizable cards to unlock and personalize your team. New badges and achievements will help you unlock teams, competitions, and more throughout the journey. FIFA Skill Games - enjoy 6 all-new skill games, including UEFA Champions League and UEFA Europa League, where you can hone your skills in new ways. New Online Leagues: FIFA Ultimate Team™ owners will see a couple new leagues introduced in the Ultimate Team mode: The Hex Cup and the FIFA Club World Championship. FIFA player faces for each**
