Version: 1.8Â .Q: Responsive web design and Bootstrap So, I'm starting to use responsiveness using Bootstrap and I wonder if I use a box-sizing: border-box; is this supported by Bootstrap? I'm asking if the container div is automatically sized with the content (padding + margins) or I need to do that myself? A: You can do it yourself as well. Check this example: And this one: Hundreds of lawmakers from all over the world are currently in Washington, D.C. for a well-timed "love-in." ADVERTISEMENT Rep. Keith Ellison (D-Minn.) kicked off the gatherings with a speech urging his colleagues to make time for families, and to keep in mind the "opportunity costs" of their actions. "The fundamental tool of democracy is freedom of choice," Ellison said. "When we deny our citizens that freedom of choice, we have effectively denied them their democracy." The Minnesota Democrat also encouraged lawmakers to keep their recess to a minimum so they could spend more time with their families. "If you're going to have a relationship, don't leave it on the weekends," he added.
