“A squad shooter that is firmly in the beloved 80s genre, Rad Rogers: Radical Edition takes you to the streets of your favorite 80s cartoon, with a few more embellishments to boot. Rad Rogers is a throwback to the games that you used to play, but with more violence and a dash of everything old you’ve come to expect.” 94 - Touch Arcade About This Game: “Riding a two-wheeled hamster? No problem. Rad-Gibby has got your back on this one. This squad-shooter challenges you to the streets and locales from your favorite 80s cartoon: a ‘Radical Edition’ of Rad-Gibby. Get ready to pilot a two-wheeled hamster with an arsenal of 80s weapons as you take on waves of enemies from every side.” 85 - ArcadeSins About This Game: “[Rad Rodgers: Radical Edition] feels like a perfect throwback to the heyday of the 8 and 16-bit eras.” Game Videos & Screenshots: YouTube: Twitter: Instagram: Facebook: About Rad-Gibby: Rad-Gibby is a retro-themed 2D shooter video game with a 2.5D visual style. It features 80s-style humorous dialogue and characters, combo-based gameplay, weapons, bosses, and mini-bosses. The game is fueled by word of mouth and addictiveness and helps players to have fun. The full version contains three main game areas and more than 20 enemies that players can control. The free version contains the first two game areas only. Big thanks to Radiohead for their music. -Website: -Facebook: -Twitter: -Inst
