The uncut lyrics are as follows: "The following sound effects are mumbled by an unidentified man speaking in Russian while unbuttoning his shirt and preparing to hit himself in the head. The camera cuts." It all starts with a woman screaming at her boyfriend in Russian. Then, the camera cuts to show a naked man who begins muttering incoherently and banging his head against the wall repeatedly. The man is then seen pulling a hammer from his dresser and beating his head and neck with it. One has to quickly see the background is not a house or apartment, but a hospital room. The man is seen walking out of the room covered in blood. The lyrics of the song do not reveal the purpose of this video other than describing a man beating his head with a hammer. The video does show us a man screaming, self harming, and blood. #9. BOO FUCKIN LIFE!
