GAME: Elden Ring: Tarnished by Iota What is Elden Ring: Tarnished? Elden Ring: Tarnished is a new fantasy action RPG with rich history. It has a new “quest” system that lets you delve into the story of the Elden Ring where your actions can alter the events of the story, causing character growth and developments. Elden Ring: Tarnished is the first fantasy RPG that features heavy RPG elements such as character creation, equipment and weapon development, and inventory management. Elden Ring: Tarnished focuses on the development of a unique story born from history. By combining the elements of fantasy, action, and RPG, this new fantasy RPG is free from the conventions of the classic fantasy story and will make you feel true emotions. Story: In the world of the Lands Between, once in a blue moon a story begins. The story of Elden Ring begins in the Realm of the Elden, a place separated from the world by the battle of the Gods. Elden Ring: Tarnished is a fresh and new story of the heroic tale. The Lands Between is a world that has been forgotten, it is a place in which the darkness of the Gods still persists. With the battle of the Gods ending, the Land of Elden, a place that used to be the center of the world,

has returned to its former glory. The story is centered around the quest of young people who want to forget their past and live for the future in the new Elden Ring. Characters: The story of Elden Ring: Tarnished will be centered around a young man who has traveled from his home village in the world of the Lands Between to find out more about his past. Unlike the usual fantasy story, Elden Ring: Tarnished will focus on the development of the characters you will meet, as well as the scenes between them. However, the characters of Elden Ring: Tarnished are not simple fictional characters. The characters you will meet in the Story will have a very big role, which will be reflected in the development of the game. Features: Elden Ring: Tarnished is an action RPG that combines the elements of fantasy, action, and role-playing games to create a new fantasy title. Elden Ring: Tarnished will feature rich bff6bb2d33

## **What's new:**

**Wars are like a storm. There is no turning back. You can't escape the battlefield once it has begun. People become hardened... and yet a young man with courage and conviction should never lose his humanity. Even when people are corrupted, it's not like they cease to have feelings. What slaughters their brains, in the end, is the fact that they know they have become monsters. Psychologists refer to it as "fragmentation." "Ori," that is the name I give to the youth who lost his humanity. "I've spent my life searching for you." Is this chance meeting fateful? Or have the stars been playing a role in my fate for decades? A sword swings in the ruthless winds of fate! It may be the one that decides to plunge into the open sky. I will write this novel in hopes that you, Princess Layla.**

**Известия On May 14, 2018, I conducted a survey on fans who had purchased the original Eyes of Heaven animation via Hakuhodo DY Company's official website. In addition to the above questions, as part of your participation in the survey, they asked if you had purchased the original anime, and if you had, for which the reason. Here are the results: \* The initial print edition of the website included the English subtitles. Eyes of Heaven participants: Watchable, 490 Oriental Project participants: Watchable, 964 The choice to watch an original anime is made on the basis of the principle that "it's not too late to try the original anime." Additionally, "Eyes of Heaven" was commercialized under the banner of "2020 Originals." Please understand that this is not the definition of the original anime, but the reason for the convenience and practicality of being able to watch an anime from the beginning. As for the reason for watching the anime: -10.9% of fans who watched the anime had viewed it because they missed parts of the synopsis in the promotional materials. -10.9% had read the synopsis of the anime and thought it would be entertaining. -23.4% of fans who watched the anime had discovered that it was the original anime. -8.5% of fans who watched the anime had just begun to watch**

The first indication that Congress was considering opening the door for exporting natural gas came in a directive last December by the Environmental Protection Agency that natural gas fracking, or hydraulic fracturing, be exempt from the Clean Air Act. Then, the Congressional Budget Office reported in April that easing restrictions on exporting liquefied natural gas (LNG) and natural gas would generate \$1.2 trillion in revenue by 2040, an outcome that “could potentially increase net oil and gas production,” CBO said. The Trump administration embraced that notion and the report. After meeting with Trump at the White House on June 28, top White House officials said that they were keen on the idea of loosening the Export Clause of the Clean Air Act to allow U.S. liquefied natural gas exports for use abroad. The meeting with the president “was meant to showcase the president’s commitment to the natural gas industry and its strong support for LNG, which is critical to the president’s domestic energy strategy,” a White House official said. But the meeting also underscored the difficulty that the administration would face in seeking to loosen the constraints imposed by the Export Clause, which has been a legislative bone of contention for most of the last half century. Republicans like Sen. John Barrasso of Wyoming, one of the president’s biggest champions in Congress, have long backed loosening the rules to enable more exports. But Democrats, whose votes are needed to allow exporting,

have been fiercely opposed. Story continues below advertisement Nationally, the LNG industry's Chamber of Commerce is pushing for looser standards, as well. During the meeting with Trump, Gary Heminger, a top White House official, told the president that a loosening of the rules could increase "the availability of U.S. natural gas and lower energy prices for consumers." Eliminating restrictions on exporting LNG would also "promote economic growth, raise revenues, and increase domestic energy security," CBO said. Because of the U.S. energy boom, the exports of natural gas increased from
