Between Pigs and Wolves is a fast-action first-person game with a unique artistic visual style. You play the role of Kuma, a World War II veteran turned pig hunter who has devoted his life to protecting his family from the Wolves who threaten their whole village. The game takes place in a beautiful, vibrant world with non-linear gameplay. You will work your way through 16 different survival missions to progress. You can use small game elements such as dry leaves, dirt and straw, any of which can be used as weapons, plus 6 different tactics to fight the Wolves. Each of the 16 episodes offers a unique, playing experience where you have to use all your skills and wits to survive. You'll have to think before you act, your decisions can lead to a game-ending event or save you from certain death. Set in a lush, futuristic, jungle city, where you must escape the chilling and deadly enemies of the mysterious Raksha race. Can you overcome your enemies' amazing powers and find the five ancient prophecies that will stop the whole alien race? TrackMania is the biggest racing game in the world. With more than 20 million copies sold, TrackMania is arguably the most popular racing simulation game in history. Everything from road, woods, water and snow, including over 50 tracks, are packed with an insane amount of vehicles to race. After their last strike, the human race is now on its knees. Enraged by the massacres and destruction that they have brought upon the planet, aliens launch a final and drastic attack to prevent further disasters. The 13th Age is a fantasy MMORPG. Join a realm, crush castles and conquer opponents from across the world. Take part in three factions – the Humans, the Dark Elves and the Teutons – and fight your way through the fight for dominion over Tyria. The classic fantasy RPG. With an incredible arsenal of weapons and armor, you can carve your way through enemies as you level up, gain experience, and discover epic loot. Set off to explore the world of Eredane and get ready to battle the evil forces that plague the land. Giants at the Gates is a 2D game in an old-school style. The player controls one of three bands of giants – haftling, brigand and farmer, to name a few – and must work together to explore the land, manage resources, build defensive structures and eventually drive the invaders out of the land. ForeverFree is a fantasy MMORPG like none other. A realm of tribes living in close harmony in the desert. A world of heroes living their lives in a world of high fantasy. The choices you make will mould your destiny in this majestic and epic journey. The game, a sequel to the highly popular Game of War franchise, will be highly intuitive and easy to use. The military will be able to deploy and command its allied forces, dictate strategy and conduct operations far more fluidly, all from a single and secure interface. In the game you try to destroy all the enemies on the map and survive in the battle. The game has stunning graphics and many elements to customize the game. The game has a campaign mode, a survival mode and a battle mode. All you need to compete is a modem and some C64 games, c9d1549cdd

A new game from a new indie developer C. Simon! If you like tile-matching games you won't want to miss out on this one. It's a new and different take on an old concept. Features 5 player-board game that includes no AI. You can play the game in 4 different modes: Arcade mode: You play to win. When you click on a tile you have to select how many of that tile you want to keep and click on the board to make your moves. Timed mode: You play to reach the goal. The board and grid is the same as Arcade mode, but there's a timer. You have to make the most moves to reach the goal before time runs out. Block mode: Instead of having to choose which pieces you keep or move, you have to connect the pieces to a line. The more pieces you connect before time runs out the more points you get. Time travel: You start the game in the past. You have to make moves until you get to the present day. If you make a mistake or run out of time, you'll go back to the last move you made. You'll have to start from the beginning again and make the same moves. You can only use one move at a time. Online leaderboard: you can compare your score with other players online. It also includes your ranking and world ranking. Free to play! Gameplay Slime Shards: ?A side scrolling puzzle game. Game play consists of collecting gems, destroying blocks and using slime to make new blocks to progress to the next level. L- and R-Trigger to use Slime to create Blocks. Slime Power Up Upgrade Collect a lot of the diamonds and power ups to power up your Slime! Upgrade From 35 Gems To 700 Gems: ?Collect money to increase your Gems. Collect Bigger Gems to increase your power up abilities and advance through the levels. Chinese tourist injured after alleged altercation in San Francisco Chinatown The man was taken to a hospital and his condition was unknown. A Chinese tourist suffered serious injuries after a dispute with another man in San Francisco's Chinatown, police say. The 32-year-old man was transported to a local hospital after the incident and his condition was unknown, a San Francisco police spokesman told ABC News.
