“The Elden Ring is an MMORPG where, in the game’s most significant feature, you can freely leave the world of Warcraft and enter the Lands Between, a world unaffected by the war between the Elden and the Orcs. You can easily take the lead of a guild, create your own character, and perform various quests in tandem with other players in order to become an Elden Lord. We have also introduced plenty of new elements to enrich and deepen the online play experience, as well as new content that has been created especially for this title.” ESTABLISHED ELDEN RING DEVELOPMENT TEAM EVE Online Studio General Director - Dave Haddock EVE Online Producer & Director - Eric “ProdiG” Fuller EVE Online Senior Producer - Conor “Conrad” Watkins EVE Online Producer - James “Bischoff” Bain EVE Online Producer - James “James Manchin” Manchin EVE Online Web Producer - Matt “Ultrapeter” Urone EVE Online Art Director - Owen O’Sullivan EVE Online Programmer - Tom “warcms” Clarke EVE Online Programmer - John “Johndad” Whitelock EVE Online QA - Joe “JT”- Taylor EVE Online Game Designer - Joel “Joestar” Stark EVE Online Support Manager - Gav X-X EVE Online Lead Game Designer - John “WoWWWoW” Bain EVE Online Music Composer - Ryan “Anarchy72” McLean EVE Online Movie Producer & Director - Greg Miller EVE Online Art Director - Tony Dobbie EVE Online Community Manager - Conrad “Purging” Cantwell EVE Online Character Manager - Mandy “Ixyatli” Gano EVE Online Graphic Designer - Jeff “Mimoso” Hammond EVE Online Lead Sound Designer - Marc “druidofaction” Warkentin EVE Online Lead Writer - Graham “Grunch” Barber EVE Online Lead Gameplay Designer - Jared “NecroVolt” Hill EVE Online Lead Programmer

A Multilayered Story told in Fragments
Excitement Within Remoteness
Open World Game

Elden Ring invites players to a world of fantasismystery. Rise up, tarnished, and be guided by grace to play as either Tarnished, the brave knight of the ring, or LightSpeaker, the champion of heroines.

In the far past, there existed a ring of power that protected the lands and humanity. But when the ring fell into the hands of the demons and Nobodies, it was revealed that all was not what it seemed. Was it the ring's enchantment, or was it not? And was it truly lost?

In the land called the Lands Between, the creation of Tarnished, who desires to be known as "the age of justice," begins. And here it is time to take the place as the new ruler of the Lands Between!

Players fulfill their destinies in a fantasy world set between reality and the alternative world where the East Ocean is located. On their journey to becoming an Elden Lord, players make their way through the Lands Between by combining and equipping a variety of offensive and defensive weapons and magic.

Players can construct a character of their choice and join a party in the party system. The battle and quest system enables an innovative battle system, and the jobs for the in-game guilds are exhilarating. Players can enjoy freedom of character creation based on race, outfit, hairstyle, voice, and so on.

Elden Ring was originally developed by Gonzo.

We encourage players to become entirely lost in the game and to take the trip of a lifetime.

[IMPACT GAME] PS4, XBOX360/ONE, PC, (Buy Now on Steam) ----- GENERAL REVIEWS: [OVERALL] From the high speed of sword battling to the large scale of the battles, the action is so intense that it is simply a real pleasure to play. With the new ways to create a party and the expansion of the story, it is not just a one time play. It’s a replay game! [RPG] The many quests to complete will all call for you to collect items, so it is a game that will reward you after you replay it. It is an extremely well structured game with an ample amount of secrets that you will not be able to find unless you play it enough times. [ACTION] The frantic sword battling in conjunction with the fact that you are able to make your own party will make you feel like you are indeed mastering the battle system. The battles are set in the Lands Between, so you are able to run and create new routes according to your own tactics. [RARE AND UNIQUE] The large scale of the maps and the expansion of the story keep you wanting to take on more and more enemies. The difficulty is adjustable, so you can really enjoy the game if you are good at sword battling. However, if you do not have a strong sword battling background, you can play the game again in normal difficulty. [GRAPHICS] The backgrounds look great and the colors are vivid. When entering a large dungeon, it feels as though you are stepping into another world, further providing a sense of immersion. [SOUND] Because it uses a simple system to look up information, the voice acting is rather engaging and not repetitive. The lighting effects have their own taste that complement the sword battling in the dramatic mood of the night, and it is a satisfying feeling when your characters are about to battle. [REPLAY VALUE] When you replay the game you will be able to find many secrets hidden in the game, and, because it is a replay game, you will be able to collect a large amount of items. Also, because it does not take a long amount bff6bb2d33
