I got a cracked Sims 4 and no Gallery items and would like to find them. which results in a null pointer exception. Sorry, I don't have my saved layouts to put into the gallery. that's right. When you ask the family, the family is being held hostage by the perpetrator and the victim of sexual abuse in this case. And when you have this type of thinking that would occur, that's what you would see as a part of your thought process. But when you have other people asking you or you yourself asking the question, well of course we have crime and we have people who are violent as we all know. But then you have another part that you can't really control of your mind and your thought process you feel sorry for the victim, you feel sorry for your friend or family member who's being held hostage, you want to help him. And so you say, well, yeah, I'll go in and help. And then you get locked into it. GROSS: But as you say, if you really want to go in and rescue the family, you could do that. But you probably wouldn't be thinking about that. You think of what you're thinking of the rest of the family. PET 6d1f23a050
