Storyline .The large majority of children living in Baltimore City have mental health and related needs for services. Few are found in the county and even fewer found in non-ICF/MR settings. Philadelphia ACFs are classified in terms of service based on the availability of the following types of services: Combined mentally retarded, psychiatric and medical services. Such as, Mental retardation treatment within the same facility as outpatient psychiatric services only. These are usually found in an ACF setting. Mental retardation, psychiatric and medical services. This type of ACF most often serves mentally retarded clients. Piedmont ACFs are classified according to the availability of the following types of services: Combined services. Referring to combined services. Referring to combined services including those offered in ACFs, county units, shelters, day treatment and other agencies. Shelters. These may include those offered in ACFs, other state facilities, shelters, day treatment and other agencies. Shelters. These are typically short term, crisis intervention group homes that provide 24 hour care. DID is funded by the Department of Health and Mental Hygiene to provide adult psychiatric services to eligible individuals with mental retardation and related 6d1f23a050
