All Kindle books can be read on your Kindle or iOS device, computer, tablet, and Smart Phone. The Guardian and the World -- Free ebook, Kindle Edition by Bill Bryson. Bill Bryson is the author of A Walk in the Woods, "A Short History of Nearly Everything," "Mother Tongue," "One Summer: America, 1927," and "Notes from The Road." He has been named the top American humorist by the New York Times Book Review, the top British humorist by the Guardian, and the top global humorist by Booklist. He lives with his family in the Pembrokeshire countryside of Wales, and is a regular contributor to The New York Times Magazine. His new book, "The Life and Times of the Thunderbolt Kid," was published in February 2012 and is now out in paperback. eBook A Small Place: Writing and Living Alone by Annie Dillard. Since it was first published in 1980, A Small Place has sold hundreds of thousands of copies, and has been published in a dozen languages. The book is dedicated to Helen, whom Annie Dillard met as an undergraduate, and they have been married since 1963. Through both of them, A Small Place has reached a wide, quiet, intelligent, and affectionate public. Publishers Weekly called it "a marvel, a serious, tender, funny, and near-perfect book." New York Magazine called it "a book to which the reader should pay more attention than the one who wrote it." Wallace Stevens and Randall Jarrell said it was "very funny" and "very good." "Sometimes that's enough to make you happy," Dillard writes, "while other times the world seems too full of anxiety and pain and rage and hunger to be ever again what it was before." Dillard, who teaches at the University of Virginia, lives alone in North Carolina. Her other books are Notes from the Airline Office, The Lost Country, and The Stone Diaries.
