January 17, 2018 - hello friend, this firmware also works for moto z play mexico before installing Lineage OS I had NPNS26.118- 22-2-12? I didn't find it so I made it according to the steps. Now I can update the system. Thank you. Here's how it works: - Step 1: Go to settings and select "system update". - Step 2: Click "check for updates". - Step 3: When the new software appears, click OK. - Step 4: A pop-up window will appear with the choice of "upgrade your computer or install". - Step 5: Click Install. - Step 6: A pop-up window will appear to confirm the OS update.
