Acesta este primul film din seria de filme Taken. In Liam Neeson's film în rolul unui by CIA lead agent pe nume Bryan Mills, care încearcÄf sÄf-È[™]i recupereze ...# ##When his daughter is kidnapped by a gang of traffickers while on holiday in Paris, a former spy must do everything possible to ... This movie. Very unusual for Neeson with his conservative and reserved style. His acting is excellent, but I don't think his character is who he is. He plays very well and at the level. I'd say it's the best thing he's ever done. I would like him to act less in such films and more in films with dramatic events in which he can express himself in a different way. I think he should start his acting career in a genre that he can play more powerfully.
