First asks for the social club login, I login with the same account that I logged in at the social club website and activated the game and the login works perfectly, but once the login is done, it asks again for the Rockstar Activation Code and when I introduce the key, check a box and click at the Check button, displays a message saying Rockstar Activation Code already in use. Another menu available on the casting trailer menu screen is the 'Settings' menu. It is also available via the Interaction Menu when in the Director Mode. The Settings menu allows you to tweak several worldly features such as weather, time, invincibility, super jump, etc. These are basically the cheat codes in the free mode map that can be altered to fit the scene best to be directed.
