Punishment for refusing to work in the service sector. Punishment for refusing to work in the service sector 1. In accordance with paragraph 1 of Article 34 of the Labor Code, if an employee, due to his business qualities, education, professional training, health status and other objective conditions, can perform the work that he is entrusted with, but refuses from its implementation for reasons beyond the control of the employer, then labor law does not provide for any measures to influence such an employee.
