DP Technology ESPRIT 2019 R1 Free Download NEW!

DP Technology ESPRIT 2019 R1 for Windows 32-bit and 64-bit. DP Technology ESPRIT 2019 R1 is a professional application. It is designed to record games in digital format. It can record games on the Xbox One console, on the Xbox 360 console, on the PC, and even on personal computers running Windows. The app supports 1080p high-definition recording and playback, and it's completely free for owners of Xbox One consoles, Windows PCs, and Xbox 360 (including new versions of Xbox 360). For now, this application only supports MOV and MP4 file formats.
