### **Maleficent 2014 Hindi Dubbed Movie Download 300191**

A beautiful, pure-hearted young woman, Maleficent has an idyllic life growing up in a peaceable forest kingdom, until one day when an invading army threatens the harmony of the land. Maleficent rises to be the lands fiercest protector, but she ultimately suffers a ruthless betrayal an act that begins to turn her pure heart to stone.

Bent on revenge, Maleficent faces a battle with the invading king's successor and, as a result, places a curse upon his newborn infant Aurora. Maleficent makes quite an interesting movie that has a rich history in German drama. It also featured a number of international stars, such as Naomi Watts, Elle Fanning, and Chiwetel Ejiofor. The dialogue is a little bit difficult to understand for the viewers from outside of the United States, but there are subtitles available that you can use to make the movie much easier for you. This is a really good movie to watch in the summer when the sun is shining and the temperature is getting hotter and hotter. If you like Disney, I highly recommend this movie. I'm telling you, it's really good. 3- Stars: Gwyneth Paltrow has a mild acting ability that you can observe, and an impressive dancing ability to match. Her acting is good but most of the time she feels like she is just being overacted. In this movie she does a great job at a bad role. Having watched most of her movies, I can say this movie is really bad. She works as the "villain" in this movie. It should have been made as a comedy. Elle Fanning plays as a very cute orphan that changes to Maleficent's side in this movie. I liked her acting ability but I don't think she is that cute. 5ec8ef588b
