
Assassin Creed Revelations The Lost Archive Dlc Download Pc ~REPACK~

The Lost Archive is a downloadable content add-on for Assassin's Creed: Revelations that has gameplay similar to episodes from Desmond's Journey. The passage of The Lost Archive was supposed to be available only to owners of The Lost Archive, but Ubisoft decided to release the DLC for all players. In addition, players will find a new adventure called The Lost Archive, which begins 10 years after the events taking place in The Lost Archive. The action of the add-on takes place in the city of Ezio Auditore da Firenze. The player controls the protagonist in the form of Ezio and fights against the army of his enemies, consisting of legionnaires and assassins.
